BY COURIER MAIL

Dear Sirs,

Reference is made to your attached letter of 30 August 2001 by which you return our check on the amount of USD 75,00 dated 23 August 2001.

We are sorry for the confusion caused by us by not stating the reference to the above mentioned PCT Application.

As mentioned in our additional fax to the US Patent Office on 27 August this cheque should cover the balance between the application fee previously paid by the amount of USD 355,00 and the total amount of USD 430,00 subsequently informed. We also enclose a copy of this fax for your reference.

Thus, we allow ourselves to re-submit the check in question and we once again deeply apologize for the confusion we have caused by not quoting the application number properly in the first instance.

Yours Faithfully

Subject: **Entry into National Phase before the US**
Continuation of PCT application no.: PCT / DK00 / 00088

Dear Sirs,

Reference is made to the above application forwarded by our Patent Attorney, Mr. Hans H. Haraldsted On 19 July 2001. The application was accompanied with a cheque of USD 355 to cover the application fee.

Subsequently, we have been informed that the fee prepaid was too small, and an additional cheque of USD 75 has been issued to cover the full fee of USD 430,00.

For your information, this cheque for the outstanding balance was posted directly to your office by our Administration Department on 24 August 2001.

Yours Faithfully
